SUMMER HOLIDAY HOMEWORK

Dear Children,

Summer vacation is the time when you can be more candid and creative. This is the time when skills, other than intellectual skills, can be nurtured and developed in your soft and evolving brain. Holiday assignments are there focused to let the creative and the talents, skills and desires of the children come to the surface so that they may be identified as satisfied

1. Learn a new hobby – swimming, roller skating, cricket, Karate, Golf, summer camp etc
2. Visit new places along with your family and make a collage, using photographs on your return and show them to the class teacher. Example - Local historical sites can be visited
3. Read the newspaper daily.
4. Go for walk with your family. You will realize you have two of the greatest gift of life..... Nature and your Family.
5. Read at least two books of your interest during the vacation. Maintain a self- made dictionary of the new words you come across while reading.
6. “Care and Concern” this is your change to look after your parents, grandparents, elders and at even younger brothers and sisters. You can surely be of some help to your family members. Ask your family members if they need some help and then do the needful.

(The summer vacation begins from 21 May 2019 Monday and school will be re-open on 1 July 2019 Monday.)

Just Chill Out and Enjoy the Summer
